FROM THE FOUNDER

As the global population moves steadily toward 10 billion by 2050, the need for resilient agricultural systems, sustainable production models, and advanced food processing capabilities has never been more pressing. This transformation demands professionals who are not only technically competent but also adaptable, analytical, and industry-aware.

In India, where agriculture continues to influence economic stability and livelihoods, the role of future-ready agribusiness and food sector leaders is especially significant. Recognizing this reality, ISAB has built an ecosystem that prioritizes employability, practical exposure, and corporate relevance.

Our academic structure integrates industry expectations with modern skill development. Students benefit from extensive corporate engagement through expos, trade fairs, and interactions with business leaders. Structured placement preparation, spanning over 500 hours, strengthens aptitude, communication, analytical thinking, and emerging domain knowledge, including Business Analytics, Digital Marketing, AI & ML, and corporate life skills.

Complementing classroom learning, stipend-based internships provide hands-on industry experience. Over the years, ISAB has cultivated a strong recruiter network, ensuring consistent placement assistance for eligible students across Food & Agribusiness and allied sectors.

At ISAB, our commitment extends beyond placements, we strive to develop capable professionals prepared to contribute meaningfully to organizations, industries, and society.

FROM THE CHAIRMAN

It gives me immense pleasure to welcome you to ISAB Greater Noida, an institution dedicated to developing high-impact leaders in Food and Agribusiness Management through innovation, industry-driven learning, and ethical leadership.

With over three decades of experience across leading corporates and academic institutions, I have witnessed how the right ecosystem transforms potential into performance. At ISAB Greater Noida, we focus on building not only careers but capabilities that sustain long-term success.

Our programs are designed to align closely with evolving industry needs, ensuring students graduate with practical competence, strategic thinking, and corporate-ready confidence. Students benefit from intensive placement preparation, personalized mentoring, corporate interactions, live projects, and global exposure initiatives that enhance employability and professional maturity.

We take pride in our distinguished faculty and strong recruiter relationships, which have enabled consistent placement outcomes. This year, we celebrate a significant milestone with 130+ successful placements, partnerships with 50+ recruiters, and international opportunities including a sponsored boot camp in Dubai focused on Agritech and Business Innovation.

ISAB Greater Noida stands for outcome-oriented education, holistic development, and industry relevance. I invite you to join a transformative journey of growth, excellence, and leadership.
